DR. PEARSON SAYS HE MAY EXTEND HIS ROAD TO MEXICAN PACIFIC COAST

Says He Will Also Consider
Proposition to Erect Lum-
ber Mills at El Paso—Man
of Striking Personality.

Dr. Frederick Stark Pearson, suc-
cessor to W. C. Greene as the dictator
of the vast commercial empire south
of the Chihuahua line, was in El Paso
long enough Saturday night to tell El
Paso that he considers this city the
base of operations for his great rail-
road and lumber enterprises in Mexico
and the logical location for factories
and mills to utilize the product of the
sawmills that are now being built at
the town of Pearson in Chihuahua.
"The location of the factories and
mills for the utilization of the product
of the mills at Pearson is being con-
sidered and there is no doubt that
something of the kind will be built
here," said Dr. Pearson. "However, that
comes later. Just now we are interest-
ed in the mills at Pearson. I am not as fa-
miliar with the work as many of you
in El Paso, and that is the purpose of
my trip to Terrazas. Mr. Smith, who
has charge of all of the lumber inter-
ests, will handle that when the time
comes.

Many Build to Coast.
"Mr. Bryant, our chief engineer, is
studying the coast extension of the
Mexico and North Western and one of
the chief purposes of my trip to Ter-
razas is to hear the report of the chief
engineer concerning the building of the
line to the coast. I have only been over
from England three weeks and, as I
say, I am not familiar with the situa-
tion and have nothing definite to give
out regarding this part of the work.

INTERNAL MACHINE FOUND; AN INGENIOUS DEVICE

Omaha, May 22.—An internal ma-
chine was last evening discovered on
the porch of the residence of Thomas
Denison, a well known man of this
city. Frank Erdman was placed under
arrest as a suspect and is being held
for investigation.

The machine was in the form of a
suitcase, containing two compartments,
in one of which was found 24 half
pound sticks of dynamite and in the
other, with a barrel so placed as to fire
into the dynamite, was a loaded
revolver. When found the suitcase was
fastened with a string, tied to a screw-
eye, which was in turn fastened to the
porch.

The dynamite was intended to be ex-
ploded through the agency of the
string and the revolver when the suit-
case would be lifted from the porch.
Mr. Denison's little daughter and a
schoolmate, during the afternoon had
tried to lift the suitcase but, failing
because of its weight, merely exposed
the cord, which attracted Denison's
attention. He at once notified the po-
lice department.

CONE JOHNSON RELATED TO AN EL PASO MAN

Cone Johnson, one of the candidates
for governor, will probably visit El
Paso before the summer is over and
while here will address El Pasosans on
the issues in the campaign. Johnson
is conceded to be one of the best or-
ators in the state.
While in El Paso it is probable that
he will be the guest of Marion Robert-
son, of 504 Union avenue, his brother-
in-law. Mr. Johnson having married Mr.
Robertson's sister.

A Happy Father
is soon turned to and one if he has
to walk the floor every night with a
crying baby. McGee's Baby Elixir will
make the child well, soothe its nerves,
induce healthy, normal slumber. Best
for disordered bowels and sour stom-
ach—all teething babies need it. Pleas-
ant to take, sure, and safe, contains
